

Interested in a Nursing Career?

The scholarship was established in honor of Virginia Blount Johnson, a registered nurse and beloved community leader and healthcare advocate, who left her indelible mark on the Orangeburg community. In her memory and through this scholarship, prospective nurses may receive help in achieving their career goals.

Only students who are pursuing R.N. credentials through an associate's, a bachelor's or a graduate nursing degree program are eligible. Residents of Orangeburg or Calhoun County accepted into an accredited R.N. program anywhere may apply. Residents of adjacent counties who are enrolled in an accredited nursing program in Orangeburg may also apply.

For more information or to request an application for the Virginia B. Johnson Nursing Scholarship, please call RMC Foundation at 395-2231.
