Medicare does not cover reimbursement for most vascular screenings. Insurance claims will not be filed through this screening program. Cash, checks or credit cards are accepted.

***THERE IS A CRITICAL NEED FOR ALL BLOOD TYPES!

SIGN UP TO DONATE or HOST A COMMUNITY BLOOD DRIVE

Blood is a vital resource that requires constant replenishment. RMC is one of only two hospital-based blood donor programs in our state, and depends on the active participation of community members and organizations to help meet the blood needs of patients.

Each blood donation can save up to three lives. All blood collected at RMC's Blood Donor Center and on the RMC Bloodmobile stays in the community.

WE NEED YOU! Please take the opportunity to help patients – friends, neighbors and loved ones – by donating blood.

To make an appointment, schedule a blood drive in your community or get more information, contact the Blood Donor Center at 803-395-2419 or toll free in SC: 800-476-3377, ext. 2419.

To avoid wait times, appointments are encouraged and may be made two ways: (1) Online: Go to www.trmchealth.org and click on the “Blood Assurance Program – Click here to donate blood” box located in the upper left hand side of the web page (you will need to know your donor ID#) or (2) Call the Blood Donor Center. Walk-ins are welcome, too.
