

REGEN-COV

[Monoclonal Antibodies for Covid + patients]

Goal: Prevent admissions and worsening of illness in **Covid +** patients

Who: Covid + patients presenting within **10 days** of symptom onset

What: For medication to be provided, **providers with RMC or ERHS privileges MUST call the RMC Infusion Clinic and provide the required documentation.**

****If your provider does not see patients at RMC or belong to the ERHS group of practices, please present to the RMC Express Care or another RMC or ERHS-privileged provider for an infusion order so that you can be scheduled for the infusion.****

When: Mon-Fri 08:00-16:00 ***BY APPOINTMENT ONLY***

Where: RMC Infusion Clinic [IFC]
